

11th February 2020

Senior Ukulele Group

Dear Parents / Caregivers,

This year Broadbeach State School will be offering students in Years 3 & 4 the opportunity to join the **Senior Ukulele Group**. This group will be held at 7:50am through til 8:30am every **Wednesday** morning in the JAM Room commencing in Week 5

Students will have the opportunity to play in live performances such as showcase events, other pop-up lunchtime gigs throughout the year as well as the Arts Gala held at the Gold Coast Convention and Exhibition Centre in November.

It is strongly encouraged for successful applicants to obtain a ukulele of their own for the purposes of practicing performances outside of school, however, any students without a ukulele will have access to a school instrument during lessons.

An annual \$50.00 administration fee applies once accepted into the program. Successful students will each be given a music folder, all printed music materials required throughout the year and access to a ukuleles if required at school.

As positions are very limited, please confirm your child's interest by completing and returning the Expression of Interest slip below and return to the **Administration Office only** no later than Friday 14th February. Students will be notified via a note home if successful along with payment details. Payments received without an accompanying invoice will NOT be accepted.

Please note: Returning your child's Expression of Interest does not guarantee their acceptance into a Ukulele group. Returned slips will be time and date stamped by administration staff.

Yours sincerely,

Chris Street
