

10.06.25 Titanic Troubles

Long ago, in 1912 there lived a 7 year old girl called Cara. She was brave, adventurous and daring. She also had bronze eyes, and pale skin. She also had brown hair, too. Cara planned to go back home to New York from Belfast, but a dreadful thing was waiting for them.

Here, in this harbor, an Olympic class White Star Line ship called the Titanic, is ready for her 4 day voyage. The date is 10.4.1912 and Cara is happy

now she is going home to New York. 2 days later, Cara is in 1st class having dinner in the Royal Mail Steamer's dining room. The day after, they are having a midnight feast untill... BANG!! CRASH!! CREAK!! GROAN!! SKRAEPE!! Cara and her mom walk up to the boat deck.

All the boats are launched!! Cara and her mom jump on overboard and land safely in a lifeboat and row to the

Cunard Line ship R.M.S
Carpathia. She (and her mom)
escaped R.M.S Titanic and is
safely back home.
