

UNIFORM POLICY 2018

The Broadbeach Independent Public School uniform policy reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Our uniform policy is consistent with health and safety and anti-discrimination legislation. Broadbeach State School dress code offers gender neutral uniform options for all students.

The school colours are purple, white and black. The wearing of the school uniform is compulsory and is a collective responsibility (parents, students and staff).

Students are required to wear correct school uniform every day unless there is a specific uniform free day.
