Principal's Message

After a process that is longer and more comprehensive than the USA midterm elections, I can announce the following students are our newly elected school leaders for 2027: John S 5S, Asher G 5E, Billie C 5R and Macey R 5S.

A big congratulations to our elected school captains for 2027. I look forward to working with you throughout next year. Thank you to the many students who put their hand up to go through the process. Unsuccessful candidates may still be selected for our other leadership positions.

Remembrance Day November 11.

The Last Post: The Call That Ends the Day

At every Anzac Day and Remembrance Day service, the Ode is spoken, the crowd falls quiet, and a single bugle sounds the Last Post.

The call began in the British Army's 17th-century evening routine known as tattoo. Each night the duty officer made his rounds, and a final call at the last post told the camp the sentries were alert and the day was done. In time it became a final farewell at military funerals and memorials: the duty of the fallen is over, and they can rest.

In Canberra, the Australian War Memorial has sounded it every day since 17 April 2013, telling the story of one person from the Roll of Honour at each Last Post Ceremony.

This Wednesday we will stop for a minute's silence to remember the fallen in wars and conflicts in the past and sadly today.

Prep Families

At the time of writing, we have 150 Preps enrolled for 2027. If you are a new family or an existing family and are planning on enrolling your child for Prep next year, please come to the office for information and enrolment paperwork.

It has been a pleasure meeting the new Preps and their parents at our prep experience days.

Principal Collection

This week another pile of student requested books made their way into the school library. Students are encouraged to nominate books that they would like to read, by filling out a request form, and those books are purchased and ready to borrow.

Thank you to Remy from 3P, Zoe 4T and Una 5T for making a book request for the Principal's collection.

See you near the beach!

Enrol Your Child for Prep 2027

- We look forward to helping you and your child to be 'school ready'
- To be eligible you must be living within our school catchment area (evidence required).
- Enrolment packs are available at the office, or by completing the enrolment enquiry form.
- Further information regarding Prep can be found on our Prep page on our website.
- If you know of any other family that has a child due to start Prep, please share this information.

Prep Hat Turning Ceremony

- On Tuesday 8 December – 9.00 -10.00am
- This is a special ceremony to acknowledge the end of Prep

- The children will make a pledge that they are ready for Year One
- They will turn their hats from purple to black
- It will be a short ceremony – but very sweet
- Parents are welcome to attend for this special photo opportunity
- Due to space in the hall, two adults per child only please.

Arts Gala

Remember to mark your diaries – Friday 27 November, 5.30pm - The Star Theatre. On stage on the night will be our DanceXcel program, Instrumental Strings and Concert Bands, Choirs, Rock Bands and BGT top 3 place getters. Everyone is welcome to attend – even families not currently involved with the Performing Arts program who are interested in being prospective participants or even to support friends who are performing on the night.

Consent for the rehearsal on the same day has been issued to the parents of those involved. If this is you, please remember to provide consent no later than Friday 20 November.

Ticket sales are now live. A secure link was sent to our Performing Arts families last week. If you are an interested onlooker to our Performing Arts program and interested in attending on the night, please email dancexcel@broadbeachss.eq.edu RE: Arts Gala Tickets and the secure link will be sent to you.

We extend our gratitude to sponsors, Shaun Bourke from Coastal Property Agents and Paul Harrison from Kollosche for their generous support of our wonderful school.

DanceXcel 2027 EOI Process

Beginning Week 6, students currently enrolled in Term 4 Prep – Year 5 DanceXcel Troupes will be sent an SMS to register their Expression of Interest for the 2027 program. Please note: registering your interest does not guarantee your child a place in the program. The EOI process helps in determining class offerings and the finalisation of the 2027 schedule. Places will be confirmed via SMS later in the term.

Year 6 Graduation

Planning continues for this culminating event for our Year 6 students and their families.

If you haven't yet provided a photo and wish to, please email one digital image of your Year 6 child (from birth to 5 years old) for inclusion in the presentation. Ensure your child's full name is included in the email for identification. Photos should be emailed to registrar@broadbeachss.eq.edu.au by Friday, 13 November.

A reminder that tickets will go live on Monday, 16 November. Each family will be able to reserve two (2) tickets under their child's name. An SMS with instructions will be sent to parents prior to the release. Seating will be allocated from front to back in the order reservations are received, and tickets with seat allocations will be issued to students during the week beginning Monday, 30 November.

Term 4 Water Activities Programs

At Broadbeach State School, we are fortunate to be surrounded by one of the Gold Coast's greatest natural assets – our beautiful coastline and waterways. With this comes an important responsibility to ensure our students develop the knowledge, skills and confidence to stay safe in and around the water.

The Department of Education's K–12 Curriculum, Assessment and Reporting Framework highlights the importance of Water Safety Education for all students from Prep to Year 6. At Broadbeach, we embrace this responsibility by providing a comprehensive water safety program that reflects our unique coastal environment and gives students valuable opportunities to develop practical skills and confidence.

Please take a moment to familiarise yourself with the following Term 4 activities and important information to support your child.

Prep – Yr 4 Swimming Lessons

The Broadbeach Swim Program will commence towards the end of Term 4, with lessons for Prep to Year 4 students taking place at Miami Aquatic Centre under the guidance of experienced swimming educators.

Student consent forms have been distributed to all Prep to Year 4 families. Once consent has been submitted, an invoice will be emailed to your nominated email address.

Parents are also required to complete the swimming survey provided by Rackley Swimming. This form has been sent home with your child and will assist swimming educators in placing students into appropriate small groups based on their swimming ability. Please ensure the completed survey is returned as soon as possible so that groupings and planning can be finalised.

Year 5 and 6 Beach Safety Days

Our rescheduled Beach Safety Days will take place on Wednesday 11 November (Year 5) and Thursday 12 November (Year 6).

We are extremely grateful to Surf Life Saving Queensland for accommodating the rescheduled dates following the unsettled weather and beach conditions experienced on our original dates a few weeks ago.

These days provide our senior students with a fantastic opportunity to develop practical water safety knowledge and skills in the local beach environment. It is a particularly valuable experience that not every school has the opportunity to offer, and one we are fortunate to provide because of our coastal location.

Term 4 Swimming Carnivals

Our two swimming carnivals will take place towards the end of the term:

- Monday 7 December: Year 4
- Tuesday 8 December: Years 5 and 6

As highlighted in our previous newsletter, these carnivals will provide a culminating celebration of our water programs, with a focus on participation, enjoyment and school spirit. While there will be competitive races for students who enjoy the challenge of racing, our priority is to ensure every student feels comfortable getting involved, having fun and cheering on their classmates. It is about celebrating participation, encouraging one another and finishing the year on a high together!

Student Consent forms were sent via Q Parents last week. A reminder that there is no cost for this activity thanks to the P & C and their sponsors.

Thriving Kids – Supporting Children and Families

The Australian Government is introducing Thriving Kids, a national initiative aimed at improving access to early support for children aged 0–8 with developmental differences, delays and disabilities.

The initiative aims to help families access information and appropriate supports earlier, including children with a range of developmental needs, including autism.

Queensland's arrangements for implementing Thriving Kids are still being finalised. We encourage families to stay informed as further details become available about how these supports will be delivered in Queensland.

The Thriving Kids Autism Helpline is also available to provide information and guidance to families concerned about their child's development or autism. 1300654789

Starting High School: Supporting a Positive Transition

Moving from primary school to high school is an exciting milestone, but it can also bring feelings of uncertainty. New friendships, teachers, routines and responsibilities can feel overwhelming at first. With preparation, encouragement and support, families can help children approach this next chapter with confidence.

Getting Ready for High School

Preparing together can help children feel more confident and independent. Here are a few simple ways families can help:

☐ Attend high school orientation and transition activities.

☐ Practise travelling to and from school.

☐ Organise uniforms, books and equipment together.

☐ Encourage your child to pack their bag and manage belongings.

☐ Talk openly about friendships, expectations and any worries.

During the Transition: Establishing Healthy Routines

The first few weeks of high school can be tiring as children adjust to new routines and expectations. Where possible, arrange for a trusted adult to be available before or after school to provide reassurance and support. Establish consistent daily routines and use a visible weekly planner to help your child manage homework, equipment and activities. Encourage healthy eating, physical activity and adequate sleep, while providing a quiet space for study. Developing independence takes time, and your encouragement can make a difference.

Supporting Emotional Wellbeing

It is natural for children to feel excited, nervous or worried about starting high school. Listen to their concerns, acknowledge their feelings and encourage opportunities to maintain friendships and make new connections. Support their growing independence while reminding them that asking for help is a strength and settling into a new environment takes time.

When Might Your Child Need Extra Support?

Changes in confidence, friendships, attendance or behaviour may indicate that your child is finding the transition difficult. If concerns persist, speak with their teacher, year-level coordinator or school support team. Early communication can help ensure appropriate support is available.

Rackley Swimming Survey Forms for Prep - Year 4

Please return all Rackley Swimming Survey forms for Prep - Year 4 to your class teacher. Thank you so much to those parents that have already returned their form. This information allows the pool staff to organise students into ability groups prior to their first lesson, allowing maximum time in the pool.

Consent and payment for swimming lessons is through Qparents.

Beach Safe Swim Days

Year 5 and 6 students have their Beach Safe Swim Days on Wednesday 11 November (Year 5) and Thursday 12 November (Year 6). Do not order tuckshop on their beach day as students will be offsite for the entire school day.

Swimming Carnivals

Our swimming carnivals take place at Merrimac SHS. Year 4 carnival is Monday 7 December and Year 5-6 carnival is Tuesday 8 December. Swimming carnivals have a big focus on fun rather than competition. Tuckshop is not an option on the day your child is at a swimming carnival.

District Trials in 2027

Competitive swimmers wishing to qualify for District Trials in 2027 MUST have official Swim Australia times through club swimming to nominate.

Back To School Boost 2027

The Queensland Government's Back to school boost helps families with school-related expenses for all students in Prep to Year 6. In 2027, the annual credit will increase from $100 to $150 per student.

Families are encouraged to use their child's remaining 2026 credit for end-of-year school-related expenses. This includes excursions and Year 6 graduation-related costs. Year 6 families should use their credit by the end of the year. Unused balances for continuing students will carry over to 2027.

Check your QParents for remaining 2026 BOOST balance or Contact finance@broadbeachss.eq.edu.au to check your remaining balance.

Brisbane Heat Ticket Competition

Following the fantastic competition between our Partner Schools last year, we are excited to bring back the Brisbane Heat Ticket Competition for another season!

Families and friends who purchase tickets through the school's unique code will receive discounted tickets, with school communities able to sit together in the Schools Bay.

This year, there are even more opportunities to get involved, with the competition including WBBL games at Allan Border Field as well as BBL games at the Gabba.

The Partner Schools with the most tickets purchased through its unique link/QR code will win:

1st Place: A Brisbane Heat Player appearance experience at your school

2nd Place: A school Cricket Equipment Kit valued at $500

3rd Place: A signed Brisbane Heat Bat

The more your school community shares and purchased through your unique link, the better your chance of winning.
