

Thursday 3 March 2022

Dear Parents and Carers of Broadbeach State School Students,

Tomorrow, Friday 4 March, Broadbeach State School will only provide supervision for children of essential workers and children experiencing vulnerability.

PCYC before and after school services will continue tomorrow.

There will be no extra-curricular activities tomorrow.

The premier has encouraged people in the South East to avoid being on the roads over the next 24-48 hours. In the event of unavoidable travel and to ensure safety, please make use of the following websites to plan any journey. TransLink have advised that transport services for Friday will only operate where safe to do so.

Further information is available at the following sites:

- [QLD Traffic website](#)
- [TransLink weather affected services website](#)

Please keep up to date via the [school closures website](#) with information about school closures.

I am looking forward to seeing everyone back as soon as there is a declaration that it is safe to do so.

Thank you for your understanding and ongoing support during this time.

Yours faithfully

Bruce Langes
Principal
