Dear parents and carers,

I am aware that some of you have been directly affected by this significant rain event. I wish you well as you attend to restoration of the aspects of your lives that have been impacted.

A significant number of our staff have also been impacted and our school facilities have sustained some minor damage. Consequently, **Broadbeach will be closed again tomorrow, Tuesday 1 March.**

I have conferred with leaders in our regional office about this decision and I expect the school closures [website](#) will be updated accordingly.

Cleaning and facility management staff will be on site tomorrow to attend to any damage and additional cleaning in preparation for students' return.

I will provide another update tomorrow.

Thank you for your ongoing support.

Stay safe and keep smiling.

Kind regards

*Bruce Langes*
